Services available

Roadside This is the minimum level of cover and provides roadside assistance throughout the UK, 24 hours a day, every day of the year. The AA's number 1 aim is to fix your car, but if it cannot be fixed it will be taken to the nearest garage.

All Members must buy Roadside Assistance. You can also add to your cover any of the services below.

Relay Recovery to a UK mainland destination of your choice if the AA are unable to fix your car at the roadside or arrange a prompt local repair. This means you can choose to be taken home, to your destination or anywhere else on the UK mainland, regardless of how far this may be.

Home Start 1 in 4 breakdowns occur at or near home and Home Start provides assistance in these situations. This means that you get all the benefits of Roadside Assistance at your home address.

Stay Mobile If you are broken down and the AA cannot arrange a prompt local repair, Stay Mobile provides alternative travel options.

Home Start, Relay & Stay Mobile services are only available 24 hours from purchase.
